GATE CARD READER

ACCESS TO THE AIRPORT

- ✘ Do not allow access to the Airport to anyone unknown to you
- ✘ Most vehicular incursions result from a driver who has been provided entry to the airport and is unfamiliar with the Airport Operations Rules and Regulations
- ✘ Upon entering the airport all vehicles are required to stop and allow the gate to close behind them

GENERAL RULES

- ✘ Know current location at all times
- ✘ Give way to Fire, Police and Airport vehicles
- ✘ Know the meaning of airfield markings, signs and lights

AIRCRAFT OPERATIONS

- ✘ A rotating beacon on an aircraft signifies the aircraft is moving or about to move
- ✘ Maintain safe distances from all aircraft
- ✘ Aircraft have the right of way at all times
- ✘ Never drive under a wing of an aircraft
- ✘ Know pilots have a limited view from the cockpit
