NOTAM for July 4th, 2021

Airport Will Be Closed for Fireworks Display

9:00 pm to 9:45 pm

The City of Upland will be hosting a pandemic friendly "stay-in-place" fireworks show the evening of July 4th. The intent is for residents to be able to see the fireworks display from the comfort of their homes and yards. In order to be able to accomplish something like this, the City of Upland has secured permission from Holliday Rock to house the display. Additionally, they have secured FAA permission to have such a display next to an airport.

As you can see in the aerial photo, the display area is in the north-western portion of the Holliday Rock property. The projectiles will be launched up to 800' AGL in what is basically the crosswind entry to runway 24 or the downwind leg of runway 6.

In order for the projectiles to be launched, CCB will need to briefly close its runways. The pyrotechnics company indicates the actual projectiles will only be fired for 15 to 20 minutes, they have requested the runway be closed for 45 minutes to accommodate any potential delays.

CCB requests that our pilots plan accordingly should there be a desire to go flying that evening.

July News from Maniac-Mikes

Summer is in full swing. We are all excited to head into the summer with full capacity; however, we are not at full staff. We are hiring kitchen staff currently. We appreciate your patronage and ask that you understand our wait time is not because we want you to wait, but we want you to receive the service you deserve. We will be open regular business hours Sunday July 4th. Be safe and have a fun Fourth of July.

Gone west... **Bob Priest**

Services will be held Friday July 16th at 10am at Our Lady of the Assumption in Claremont. Burial to follow at 12pm at Forrest Lawn. Reception held at Maniac-Mikes Café, Cable Airport at 3-6pm.

EAA Chapter 448 – July Events Will Be Live In-Person (and online too)!

Independence Day “Ice Cream Social” – July 4th, 7 pm to 8:30 pm

EAA Chapter 448 VMC Club – 2nd Wednesday – July 14th at 7 pm
“Too Hot to Handle!” – A Real Life Scenario

EAA Chapter 448 Hangar Talk – 4th Wednesday – July 28th at 7 pm
“I Want an Airplane! What Are the Real Ownership Costs?”

Big news! To the delight of many folks, EAA Chapter 448 is returning to in-person events at the EAA Chapter 448 Clubhouse in July. In addition to our in-person events, we will also continue an online option for those who cannot make it to the in-person gatherings. Everyone interested in aviation is welcome to our events.

Come join us for some ice cream treats on July 4th prior to the fireworks from 7 pm to 8:30 pm or whenever the ice cream runs out. Later in the month, check out “**EAA VMC Club**” which occurs on the **2nd Wednesday of each month** and then our “**Hangar Talk**” on the **4th Wednesday of each month**. You can attend the **EAA VMC Club** or the **Hangar Talk** either in-person or online.

Our VMC Club Coordinator, Doug Fieri, is hosting **EAA VMC Club** on **Wednesday, July 14th at 7 pm**. This month’s real-life scenario will be “**Too Hot to Handle!**”. Our EAA VMC Club sessions are popular gatherings featuring interactive scenario-driven discussions that serve to educate us and make us better pilots (and mechanics) as we think through real-life scenarios and are asked, “What would you do?” As a group, we can come up with more potential courses of action while sitting on the ground at zero airspeed than any of us ever could while speeding through the air. These sessions are helpful to prepare us for the unexpected and perhaps to give us ways to prevent problems before they can occur. Join us for a great discussion with **EAA VMC Club** on **July 14th at 7 pm**.

Later in the month, on the 4th Wednesday, is our “**Hangar Talk**” on **Wednesday, July 28rd at 7 pm**. Our feature presentation and discussion will be “**I Want an Airplane! What Are the Real Ownership Costs?**”. EAA Chapter 448 member and Piper Cherokee owner, Doug Fieri, will lead a presentation and discussion on the real numbers associated with aircraft ownership and how to project costs for ownership of your own flying machine. Doug has some meticulous financial records from his own airplane ownership history, and he has already been through some of the events most owners fear, such as engine overhaul. Bring your questions and your own experiences to share with the group.

Prior to each of our meetings, our “Zoom” online portal will be open a few minutes before 7 pm for anybody who would like to chat and talk aviation before our meetings start.

Note: For the in-person events, we will be following whatever current Covid-19 state guidelines are in effect in accordance with our EAA insurance requirements.

Links and phone numbers for the Zoom hosting site will be sent via our EAA Chapter 448 email list. If you are not already receiving our emails, let us know you want to be added: contact@eachapter448.org

Do you have stories and photos that you would like to share with the Cable community via the Cable Gram and the Cable website? Or do you have an idea for a story? If so, contact Annette at aguthrie@cableairport.com and tell us what you have. We are always looking for fun items to share with our family here at Cable Airport!

Things to Know...

Last increased January 2019

Rent Increase Effective July 1, 2021

Effective July 1st, 2021, all leases that are more than one year old will see a 3% rent increase in accordance with Section 5 of your lease. Cable last adjusted the rental rates in January 2019 and while the lease provisions allow for an annual increase, Airport Management does all it can to keep the increases to a minimum. The new monthly rental rates are as follows:

T-hangar	\$ 358	Triangle Box Hangar	\$ 824	Shade hangar	\$ 148
Box hangar	474	Triangle executive hangar	1,372	Tie down	93
Small twin hangar	481	Large executive hangar	1,645	Covered vehicle storage	121
Twin hangar	594	Aero Commander hangars	840	Uncovered vehicle storage	81

If you have payments automatically sent to the Airport, we ask that you contact your payment provider with the new rates. If you have signed up for automatic payments through the Airport Office, no action is necessary.

If you have any questions regarding your rent increase please refer to a copy of your lease and/or call us at 909-982-6021 and we will be more than happy to answer your questions.
